

ADMISSIBLE FRUITS AND VEGETABLES FROM CANADA

Fruits and vegetables (except potatoes*) when grown in and shipped from Canada are enterable without restriction into all ports of entry with the following restrictions:

Black currants are prohibited entry when destined to Massachusetts, New York, West Virginia, or Wisconsin.

Corn on the cob--green or mature--from areas east of and including Saskatchewan is to be denied entry when destined to the following States, unless accompanied by a certificate issued by the Canada Department of Agriculture stating that it has been fumigated to eliminate European corn borer:

Arizona	New Mexico
California	Oregon
Florida	Texas
Idaho	Utah
Nevada	Washington

* For information about the importation of Canadian potatoes please call (301) 734-8645 or write to:
